AFTER COMPLETING THE HESI EXAM:

Test results are available to you in the test center immediately upon completing the exam. Additionally, test scores and remediation information should be available to you online within 24 hours after completing the test. Online remediation is a free service to help you identify and work on areas to improve after taking a HESI test. After the exam, you will receive an email directing you to Evolve main page.

To log into your Evolve account:

Go to the Evolve main page at <https://evolve.elsevier.com/>

Click ‘Login’ on the upper right corner of the screen, entering your username and password.

Click ‘HESI Assessment – Student Access’ and local your exam under section ‘Exam History’

For remediation on the Admission Assessment (A2) you will need to click the ‘+’ on the left side of the exam title.

Click ‘View Results’ then click ‘View Materials’

This screen will display links to content related to topics that require improvement. Click on the links to review remediation.
